Provide that all funds collected for the Victim of Crime Program be paid to the program or deposited in a reserve account if the proceeds exceed the budget authority in any particular fiscal year.

- II. Justification or Purpose: (Brief narrative of requirement. Use continuation sheet if necessary)

Revenue for the Victim of Crime Program frequently exceeds the budgeted authority in any given fiscal year. When this occurs the excess revenue is deposited in the states general fund. Since the Victim of Crime Program is always underfunded this would help build a reserve to allow the program to pay victim claims appropriately.
